Databases and other useful resources:
Amazon  http://www.amazon.com/
  Overview of the book including reviews – check who wrote it or which source published.
Books in Print
  http://libguides.twu.edu/go.php?c=10895312
  Great for informing you if a book is available to be purchased and the cost. Has scholarly book reviews
Gale's Virtual Reference Library
  http://libguides.twu.edu/go.php?c=10895378
  The primary source when looking for biographic information on authors and illustrators. Something about the Author is a great series with detailed information including a list of the books they have published, award received, selected reviews, etc.
