Is this information reliable? Try the CRAAP Test:

CURRENCY
Is this information timely and up-to-date for the topic?

RELEVANCY
Is the information relevant to the topic? Is it written for the correct audience?

AUTHORITY
Who is the author of the information? Do they have the right background to be a source for the information? What is the URL for the information? Can it be trusted?

ACCURACY
Can this information be proven? Are other sources sharing the same information? Are there sources shown for the information? Is it sharing opinions or facts?

PURPOSE
Why was this information written? Do the authors make their purpose clear? Are their biases shown in the information?
